

# HCA healthcare. Healthy for every body.

**HCA** Affiliated Hospitals  
*Far ahead. Close to home.*

### **Pearland Medical Office Building**

To be located on the southwest corner of F.M. 2234 (Shadow Creek Parkway) and Hwy. 288, the Pearland Medical Office Building will offer 81,500 square feet of medical facilities, including emergency center; imaging and diagnostic testing (diagnostic radiology, ultrasound, mammography and MRI); laboratory services; physician offices and two covered patient drop-off areas.

### **Pearland Emergency Center**

The Emergency Center will be a full-service 24-hour department with Emergency physicians, nurses and technicians. Greater Houston Emergency Physicians will staff the Emergency Center, as they do at all Houston HCA Affiliated Hospitals. Patients will be seen, treated and discharged in a significantly shorter time than hospital-based Emergency Centers.

### **Pearland Medical Imaging Center**

The Imaging Center will be comprised of Diagnostic Radiology, CAT Scan, Ultrasound and MRI. Southwest Radiology, a group of more than twenty radiologists with sub-specialists in all areas including musculoskeletal, interventional, and breast and body imaging, will interpret the radiology images.
